

# We can help prevent the spread of the COVID-19 virus at your business or residence.

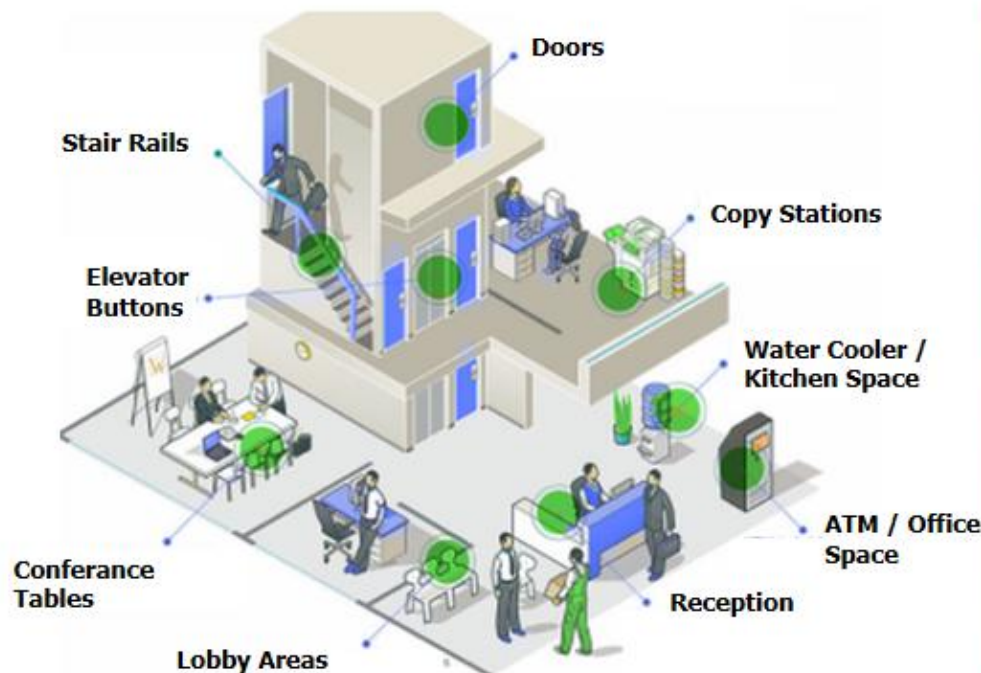

## Areas we can disinfect according to the protocols set forth by the Center of Disease Control:

**Restrooms** - doors, handrails, dispensers, mirrors, sinks, fixtures, toilets, urinals, floors, partitions

**Office Areas** - phones, doorknobs, computer stations, desks, kitchen areas

**Cafeterias / Kitchens** - countertops, tables, chairs, appliance handles, and other high touch areas

**Public Areas / Conference Rooms / Etc.** - door handles, railings, light switches, water fountains, elevator car surfaces and other high touch areas
